

AVDEL

INDIA

Avdel (India) Pvt. Ltd, established in 1961, has evolved into a leading distributor serving the Aerospace, Transportation, Defence, and Aviation sectors. The company is recognized for its commitment to delivering high-quality products and solutions across these industries.

As an ISO 9001:2015 and AS 9120B:2016 certified organization, Avdel India ensures compliance with global quality standards. Headquartered in Mumbai, the company operates a corporate office and warehouse in Thane, alongside a regional office in Bengaluru—India's aerospace hub—and a sales office in Hyderabad to ensure seamless service and accessibility.

AVDEL India offers the following products and services to Aerospace, Defence & Aviation customers

a. Hardware Products -:

- Supply a wide variety of certified, fully traceable parts like Visu-Lok, Composi-lok, Hi-lok Pins & Collars, Nut Plates, Rivets, Hinges, Latches, Bolts & Nuts
- Offers technical advice to its client in selection of right Fasteners & Hardware products for their application

b. Advanced Composite Material-:

- Honeycombs Core, Laminates and Sandwich Panels are the materials used for composite material processing

c. Tools Supply and Servicing:

- Supply installation tools, inspection, and removal tools for riveting
- Technical capability and in-house facility for repair & servicing of tools
- After sales service & AMC for tools procured through Avdel

d. Warehousing Facilities:

- **Comprehensive Supply Chain Solutions:** We provide a one-stop shop for specialized, integrated operations and warehouse management, designed to meet the growing demands of businesses and ensure timely deliveries.
- **Tailored Services for Optimal Efficiency:** Our offerings include 3PL and warehouse management, value-added services, expert consulting, empowering industries with seamless control over their supply chain ecosystem.

e. Value-added Services:

- Vendor Management inventory (VMI), Long Term Agreement (LTA), Min/Max Stocking Program, and Tools service & Management.

f. MRO, Refurbishment and Export Services:

- **Comprehensive MRO Support:** Avdel India supplies an extensive range of fasteners, consumables, and specialized tool services to support MRO operations, along with refurbishment services tailored for the aviation sector.
- **Preferred Export Partner:** With a vast selection of aerospace hardware and efficient, streamlined logistics, Avdel India has established itself as a trusted choice for international customers seeking reliable export solutions.

INDIA

Fasteners

Avdel India offers a comprehensive range of high-quality fasteners, including blind rivets, structural rivets, and specialty fasteners, catering to diverse aerospace applications. These products are designed to meet stringent quality standards, ensuring reliability and durability in critical assemblies.

Solid Rivets

Blind Rivets

Blind Bolts

Lok-Pins & Collars

Adhesive Bonded Fasteners

Threaded Inserts

Anchor Nuts

Isolator: Honeycomb Panel Inserts

Avdel range includes:

- Adhesive bonded fasteners
- Nut plates
- Studs
- Stand-offs
- Cable tie mounts
- Anchor nuts
- Blind rivets
- Bolts, screws, nuts and washers
- Blind bolts
- Composi-lok®
- Osi-Bolt®
- Radial Lok®
- VisuLok® II
- Engine Bolts
- Fasteners for soft core materials
- High temperature fasteners
- Pin & collars
- Quarter turn fasteners
- Inserts for Honeycomb
- Quick release pins & accessories
- Semi tubular rivet
- Solid rivets
- Solid Threaded Inserts / Wire wound / Three dimensional Fasteners
- Anchor Nuts

Applications:

Metallic Structural Assembly, Inspection Panel Assembly, Control Surface Assembly, Nut Plate Installation, Electrical Cable/Hose/Piping Routing.

AVDEL

INDIA

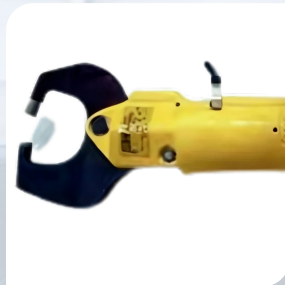

Installation Tools

Avdel India is the preferred supplier of various types of installation tools used in Aeronautical, Transport, Defence and other related industries.

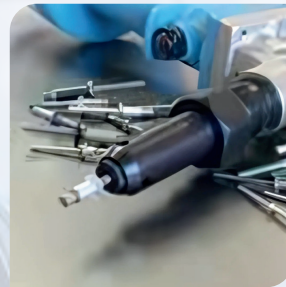

Our dedicated technical support team, having in-depth knowledge of fastener products offers appropriate tool selection and tool servicing to ensure optimum cost & minimum downtime for the various fastener installation tools. We also undertake Annual Maintenance Contract for these tools.

Solid Rivet Hammer

Solid Rivet Squeezer

Blind Riveting Tools

Lokbolt Installation Tools

Visulok Installation Tool

Rivnut Installation Tool

Nut Plate Installation Tools

Hi-Lok® Installation Tools

Solid Rivets:

- Squeezers
- Pneumatic Hammers
- Rivet Removal Tool
- Dimpling Tools and Accesories
- Bucking Bars in Various Designs
- Recoil-less Bucking Bars

Blind Rivets & Bolts:

- Hand Operated Tools
- Pneumatic Installation Tools
- Accessories for Tools & Pulling Heads (Rivets*)
- Pintail Shavers & Millers
- Grip and Inspection Gauges

Nut Inserts:

- Nut Insert Installation Tools & Accessories

Others:

- Air Drill Pistol Type and Angle Drills
- Stop Countersink, Countersink Cutters

Accessories

- Pneumatic Tools & Hand Pliers for Temporary Fasteners (Wedgeloek / Cleco)

Helicoils:

- Helicoil Installation Tools
- Tang Removal Tools

Applications:

Placing Solid Rivets, Blind Rivets, Blind Bolts, Inserts, Lok-Pin Products, Lock Bolts etc., Drilling, Counter sinking and Surface Finish Operation, Pin Tail Shavers, Millers for Aeronautically smooth external surfaces etc.

Advanced Composite Materials

Avdel India supplies premium materials like Textiles, Prepregs, Honeycomb Cores, Laminates, and Sandwich Panels for Aerospace, Transportation, and Defence industries. Our Honeycomb Cores include advanced options such as Aluminium, Nomex, Kevlar, Carbon, and Hybrid composites. These materials deliver exceptional performance and reliability across diverse applications.

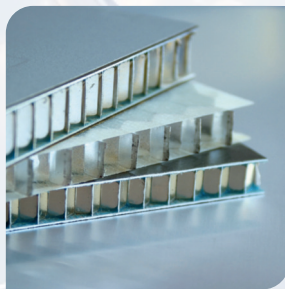

Nomex & Aluminium Honeycomb

Kevlar Honeycomb

Glass Fiber Honeycomb

Aluminum Sandwich Panel

Honeycomb:

- Metallic Aluminium
- Non - Metallic
- Kevlar
- Nomex
- Glass Fibre
- Carbon

Applications:

Cabin floors, Galleys and lavatory structures, Overhead storage unit, Antenna reflector, Heat shield ,Nose Cone and Fuselage Structure, Machined Core Assembly, Insulation Panels, Solar Panel Substrate.

Aerospace Bearings

Ball-Lok Quick Release Pins

Full Laminated Shims

Latches

Miscellaneous hardware

Provides high-quality hardware like lockwire, clamps, shims, connectors, and O-rings, ensuring reliability and compliances.

Other Hardwares :

- Sleeves & Hoses
- Clamps & Brackets
- End Terminal & Shims
- Bearings & Bushings
- O-rings, Packings

Mechanical Control Cables :

- Ball Bearing Control Cable
- Wire Rope Cable Control
- Push/Pull Control Cable
- Lock Wire Products

INDIA

MRO

Avdel India provides top-quality fasteners, tools, consumables, and aircraft interior refurbishment solutions, ensuring seamless MRO support with globally certified products.

Carpets & Surface Coverings

Aviation Fabrics

Consumables

Aircraft Leathers

Aircraft Seat

Interior Refurbishment: Consumable:

- Carpets & Surface Coverings
- Leather Seat Material
- Aviation Sheepskins
- Aviation Fabrics
- Structural Adhesives & Sealants
- Adhesive Tapes
- Primer
- Expendables

Export Services

Avdel India offers a wide range of products, including hardware and installation tools, delivering efficient solutions to export customers. Backed by extensive logistics expertise and warehousing facilities, we ensure smooth and reliable delivery worldwide.

Logistic & Warehousing Expertise

Exports Services

- Comprehensive Product Range
- Full Traceability
- Dedicated Export Support

Logistic & Warehousing Expertise:

- FTWZ warehouse trading facilities
- Expertise Logistics Team
- Inventory Management
